# Gold Series Timer

FEATURES & BENEFITS

- NEMA 4 enclosure with 4X upgrade option available
- Clear user instructions on the front cover
- Controls the pulse outputs based on unit differential pressure so filters get cleaned only when needed, saving compressed air (energy) and extending filter life
- UL tested and listed
- 110/220V, 50/60Hz, 1 phase power required
- External outputs: High pressure alarm and 4-20 mAmp signal for liner pressure readout
- LCD screen with push button controls
- Access to all settings from outside of box
- Alarm notifications signaled by screen changing to red, including No Cleaning On (disabled)
- Password protection available
- Easily expanded with more pulse outputs by simple module addition
- Goldlink monitoring available by request
